2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

It is the mission of Jack London Elementary School to be a caring community of students, educators, and families dedicated to the common goal of providing all students with the knowledge and abilities necessary to succeed academically, socially, and emotionally now and for the rest of their lives.

Jack London Elementary School, Piner-Olivet District's fourth school, opened in September 2003. It is located on the edge of a residential neighborhood with rural areas surrounding it. Approximately 100 new homes have been built nearby this past year. The school has 275 students in transitional kindergarten through sixth grade. A YMCA childcare program is housed in one of the classrooms and offers an after-school program on campus. The campus is also home to Piner-Olivet Charter School, a school for seventh and eighth graders with 200 students in eight additional classrooms.

Classrooms have an average of 24- 27 students per class. Instructional assistants offer reading, mathematics, and second language learner support in each classroom based on the needs of our students, with an emphasis on supporting primary-grade students with a strong foundation of basic skills. Students have regular access to 1:1 digital devices in grades TK-6. Transitional kindergarten through second-grade students have access to iPad devices in the classroom, and third through sixth grade have 1:1 Chromebooks. There are ten full-time general education credentialed classroom teachers, one job-sharing assignment, and a special education mild/severe credentialed teacher. There is one part-time resource specialist teacher. Music is offered with a credentialed music teacher for one class period per week per class. We also have a partnership with Keystone Clinicians for four days a week.

There are instructional assistants in general education classrooms and Title I and Title III ELL assistants for a total of 7 support staff in special programs. These program assistants also serve as yard duty supervisors. Some of our support staff are shared with the on-site middle school: the resource specialist, a licensed vocational nurse, the lead custodian, and the health technician who dispenses medications, records updates, and notifies staff of student medical information.

Special programs include the Special Day Class (SDC), Resource Specialist Program, Newcomer English Language Development (ELD), Adaptive Physical Education, and online Speech services. Students in the Resource Specialist Program (RSP) are seen in the pull-out program as well as through collaboration with general education teachers supporting students in classrooms. Our SDC classroom is a self-contained classroom with opportunities for mainstreaming in the homeroom part of the day. Program Assistants work with classroom teachers in general education classrooms to support Language Arts

instruction and provide both small-group and individualized intervention support.

The school facility includes twenty-two general education classrooms (fourteen used by our elementary school and eight by the middle school charter school), an RSP classroom, small instructional rooms for reading, speech, and counseling, an SDC classroom, a classroom for Professional Development, and a sensory room. There is a Creative Media building that has a library, learning lab, project room, staff room, and staff workroom. Each class is scheduled to visit the library at least once a week. The facility also includes a full gymnasium with a kitchen attached to heat-prepared meals.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Safety, cleanliness and maintenance of facilities are a high priority at our school. Facilities and grounds are regularly cleaned and maintained. The site is staffed by one daytime and one nighttime custodian. Common areas, such as the sidewalks are maintained regularly and the kindergarten play yard has bark swept and raked weekly. Any actions taken by an outside company comply with all school safety requirements. In the event of a power failure, the custodian and principal are trained on starting generators on the well to ensure the water supply is maintained during power outages. The facility was inspected by the Chief Business Official and Supervisor of Buildings and Grounds in January 2021. Facilities are formally inspected bi-annually.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents volunteer in classrooms and the library, on field trips, and serve on the School Site Council/English Language Advisory Committee. Jack London Families, the parent and teacher organization, is an active group that meets monthly and is involved in fundraising to sponsor school and family activities throughout the year. Some of the sponsored events are ice cream socials, Monster Mash Bash, Winter Wonderland Program, movie nights, crab feeds, book sales, and sixth-grade activities. The School Site Council/English Language Advisory Committee meets monthly. Parents may also become involved with the Piner-Olivet Educational Foundation, which is a district-wide group that fundraises for school programs like the library/media center, music programs, and field trips.

2023-24 School Safety Plan

Jack London has a Comprehensive School Safety Plan in place in coordination with Piner-Olivet Charter School, which is reviewed and updated annually and is led by the Safety Committee. The plan includes elements that address general procedures and emergency situations. It assures the safety of students and staff in case of any natural or man-made emergency situation. It includes a communication plan with the district office, other district schools, emergency services, and parents. The school has regular drills to practice and plan for safety. Jack London has an intercom system that allows the office to contact individual classrooms or the entire school in case of an emergency. In addition to providing for the student's physical safety, the staff uses Toolbox, Restorative Practices, Positive Behavior Intervention Systems (PBIS), and other best practices to help the school develop a climate that encourages children to be contributing members of our community and feel safe with their peers and adults on campus.

Fiscal Year 2022-23 Types of Services Funded

Jack London Elementary School, Piner-Olivet District's fourth school, opened in September 2003. It is located on the edge of a residential neighborhood with rural areas surrounding it. Approximately 100 new homes have been built nearby this past year. The school has 280 students in kindergarten through sixth grade. A YMCA childcare program is housed in one of the classrooms and offers an after-school program on campus. The campus is also home to Piner-Olivet Charter School, a school for seventh and eighth graders with 200 students in eight additional classrooms.

Classrooms have an average of 24- 27 students per class. Instructional assistants offer reading, mathematics, and second language learner support in each classroom based on the needs of our students, with an emphasis on supporting primary-grade students with a strong foundation of basic skills. Students have regular access to 1:1 digital devices in grades TK-6. Transitional kindergarten through second-grade students have access to iPad devices in the classroom, and third through sixth grade have 1:1 Chromebooks. There are ten full-time general education credentialed classroom teachers, one job-sharing assignment, and a special education mild/severe credentialed teacher. There is one part-time resource specialist teacher. Music is offered with a credentialed music teacher for one class period per week per class. We also have a partnership with Keystone Clinicians for four days a week.

There are instructional assistants in general education classrooms and Title I and Title III ELL assistants for a total of 7 support staff in special programs. These program assistants also serve as yard duty supervisors. Some of our support staff are shared with the on-site middle school: the resource specialist, a licensed vocational nurse, the lead custodian, and the health technician who dispenses medications, records updates, and notifies staff of student medical information.

Special programs include the Special Day Class (SDC), Resource Specialist Program, Newcomer English Language Development (ELD), Adaptive Physical Education, and online Speech services. Students in the Resource Specialist Program (RSP) are seen in the pull-out program as well as through collaboration with general education teachers supporting students in classrooms. Our SDC classroom is a self-contained classroom with opportunities for mainstreaming in the homeroom part of the day. Program Assistants work with classroom teachers in general education classrooms to support Language Arts instruction and provide both small-group and individualized intervention support.

The school facility includes twenty-two general education classrooms (fourteen used by our elementary school and eight by the middle school charter school), an RSP classroom, small instructional rooms for reading, speech, and counseling, an SDC classroom, a sensory room, and a classroom for Professional Development. There is a Creative Media building that has a library, learning lab, project room, staff room, and staff workroom. Each class is scheduled to visit the library at least once a week. The facility also includes a full gymnasium with a kitchen attached to heat-prepared meals.

Professional Development

Currently, the primary focus for professional development at Jack London Elementary School centers around Common Core English Language Arts and Mathematics standards and 21st-century teaching, learning, and assessment. A safe and positive school climate is also a focus. All teachers and classified personnel have participated in Toolbox professional development, and we are participating in professional development and the practice of Restorative Practices. Professional development is delivered after school on early release days, during non-student workdays, during dedicated days during summer, and by full and half-day release days. Teachers are supported by site and district administrators, district coaches, consultants, and the District Director of Innovative Learning. Jack London teachers attend grade span and/or grade level meetings to assess and analyze student data and collaborate to plan instruction and intervention as well as determine needs for future staff development.

Professional Development

The district provides training based on identified goals for district staff which include:
